Useful Links:

NH Republican State Committee: www.nhgop.org

Great links, such as “issues” that gives the facts of the mess created by the dems both locally and nationally.

Hillsborough County Republican Committee: www.hillsboroughgop.org

Great links to your state representative, addresses to media to send your Letters to the editor to and so much more!

Secretary of State – Elections division: www.sos.nh.gov/electionsnew.html

For everything to do with NH elections, ie, election laws, election calendar, Town Clerk contact info, polling locations, voting districts and more. It's all found on the SOS Elections website.

NH State Administrative Services, Division of Accounting Services: <http://admin.state.nh.us/accounting/reports.asp>

This is the link you need to dispute Democrat talking points about the NH Budget. The Annual Report to the citizens, an official document of NH Government, proves what we're paying for social services and how much the budget has gone up under Democrat control. Quite an eye-opener.
